SKILLS

Technical skills

C/C++; C#; Java; Python	Web Development	
HTML; CSS; Bootstrap; Tailwind; ReactJS	JSON; AJAX	
JavaScript; TypeScript; PHP	NestJS; NextJS; ASP.Net; Laravel	
MySQL; PostgreSQL; MS SQL	Algorithm and Data Structure	
UI/UX design	OOP	Software Testing	MS Office
Git And GitHub	Restful API	SDLC	CP

Soft Skills

Problem Solving   Team work   Leadership   Analytical Skills

Multi-tasking   Communication

PROJECTS

Digital Currency Trader

📅 2023

The project was built with **NestJS** and **NextJS** framework along with **React**. **Tailwind CSS** was used for styling, **PostGreSQL** for database.
People can stay up-to-date about crypto currency through this website. They can buy coins and spend as well. There are multiple roles like customers, company, admin, manager, employee and advisor.
